

QUIRÓFANOS LLANOGRANDE

The only healthcare institution in Llanogrande offering three essential medical services in one location:

OUTPATIENT SURGERY
OUTPATIENT CARE
UNSCHEDULED DOCTOR'S APPOINTMENT

ABOUT US

Quirófanos Llanogrande is a private healthcare institution that opened its doors in 2023 in Eastern Antioquia, committed to transforming the experience of patients and healthcare professionals through **safe and efficient care**.

We offer a comprehensive service that combines modern infrastructure, specialized medical care, and personalized, reliable and timely care.

"Health is best experienced through trust, technology and human warmth".

OUR USERS AND **PARTNERS**

SURGEONS

At Quirófanos Llanogrande, you will find a reliable institution for your procedures, supported by high-quality infrastructure and comprehensive logistical and professional support.

INTERNATIONAL PATIENTS

Receive fast, safe and personalized care without delays or overcrowding.

At Quirófanos Llanogrande, every procedure is performed with excellence, every consult is handled with dedication, and every patient is cared for with humanity.

WHY CHOOSE US?

Discover what makes us unique:

- Operating rooms with natural panoramic views designed to create a calm and stress-free environment.
- Comprehensive care: outpatient surgery + outpatient care + unscheduled doctor's appointment .
- Modern, private infrastructure strategically located in Llanogrande.
- Personalized attention and comprehensive patient guidance throughout the entire process.
- Services designed for international patients, private patients and insurance providers.
- Highly qualified interdisciplinary team.
- Safe and efficient clinical processes.
- Care without long waiting times or overcrowding.

We are the only private healthcare institution in Llanogrande with this comprehensive care model.

COMPREHENSIVE SERVICES IN ONE PLACE

OUTPATIENT SURGERY

Fully equipped operating rooms for outpatient procedures for low and medium-complexity procedures.

OUTPATIENT CARE

More than 15 medical specialties available for international private patients.

UNSCHEDULED DOCTOR'S APPOINTMENT

Immediate care without prior appointment in orthopedics, maxillofacial surgery, pediatrics, and general medicine. *This service provides fast medical attention for acute conditions that require prompt medical attention but are not life-threatening.*
